# About Us

**शिरडी की मिट्टी से निर्मित सुगंधित अगरबत्ती**

**We blend spirituality with tradition to create premium agarbatti and dhoop products that carry the divine essence of Shirdi**

Rooted in devotion and purity, our tagline — "Shirdi ke mitti se nirmitt sugandhi agarbatti" — reflects our commitment to crafting incense that not only uplifts the senses but also connects you to a deeper spiritual experience.

We specialise in a wide range of fragrant products, including Scented Agarbatti, Masala Agarbatti, and Cup Dhoops—each made using natural, high-quality ingredients and traditional methods. Every stick is a symbol of devotion, designed to bring peace, calm, and positivity into your home.

Our offerings also include beautifully designed wooden articles and agarbatti stands, perfect for enhancing your spiritual space and daily rituals. Whether for prayer, meditation, or simply creating a serene atmosphere, Sai Tattva brings you fragrances that speak to the soul.

Experience the divine fragrance of tradition—crafted from the sacred soil of Shirdi.
